TUCK'S POST CARD

CARTE POSTALE

POSTKARTE

By Appointment.

The Suspension Bridge is a graceful structure spanning the River Irvon at Builth Wells. Near this bridge are the famous Park mineral wells. These springs were known to the Romans, bricks inscribed "Leg. II." having been found here. The Park saline waters are unsurpassed, and are superior in richness of mineral solids to the waters of any Spa in Europe.

(FOR ADDRESS ONLY.)
